

Florence

Therapeutic Behaviour Support Practitioner

BSc Honours Psychology, MSc in Occupational Psychology, MSc Applied Management, BSCB-I; NDISC Registered Behaviour Support Practitioner (J1230).

With prior experience as a behaviour support practitioner working with remote communities, Florence recently joined CBChange and completed her training as an Intern Practitioner in the BASIC System™ Therapeutic - Positive Behaviour Support (BSCB-I). Passionate about empowering and making a difference in the lives of participants, Florence finds it inspiring when participants overcome adversity and tap into their full potential.
