

Abigail

Therapeutic Behaviour Support Practitioner

BCA(Hons), MA(ArtTher) - NDISC Registered Behaviour Support Practitioner P1154778

Abigail is a dedicated Therapeutic Behaviour Support Practitioner at CBChange, passionate about building connections and supporting individuals and their networks in achieving goals. She integrates artistic mediums into therapy, recognising their role in enhancing engagement and well-being. Inspired by people's stories and research, Abigail is particularly drawn to the Neuroscience of Art Therapy and its impact on brain function. She values understanding behaviour, especially non-verbal communication, and is committed to fostering therapeutic relationships that create positive change.
