## Therapeutic Behaviour Support Practitioner

**BAppSc (Psych), GradDipYMH - NDIS Registered Behaviour Support Practitioner P19929263**

Corey Gray is a dedicated Therapeutic Behaviour Support Practitioner at CBChange with a Bachelor of Applied Science in Psychology and an expected Graduate Diploma in Youth Mental Health. He brings extensive experience supporting young people and families across various settings, including youth counseling, crisis support, and mental health services. Corey's approach is strength-based, trauma-informed, and solution-focused, emphasizing collaboration with families, caregivers, and multidisciplinary teams. His work is driven by a passion for empowering individuals to achieve their goals, enhance emotional wellbeing, and foster greater independence and autonomy.

### INTERESTING FACT

Corey Gray is adventurous, embracing challenges through marathon training, travel, and outdoor pursuits like hiking Mount Fuji.
