## Therapeutic Behaviour Support Practitioner

Dip. Child. Serv.; Cert. IV T&A; NDIS Registered Behaviour Support Practitioner #P1895620

Joanne Butler, equipped with a Diploma in Children's Services and a Certificate IV in Training and Assessment, is committed to enhancing service delivery in challenging behavioral scenarios. She advocates for a comprehensive approach, considering the individual's environment and support network. Her focus is on developing practical, rights-based solutions that provide support and understanding to both the individuals in need and their caregivers. Joanne's professional journey is marked by empathy and compassion, as she strives to be an integral part of a participant's progress. Her dedication to service is fueled by a desire to see others overcome obstacles and excel, a commitment shaped by her extensive experience and qualifications.

### INTERESTING FACT

Passionate about singing and acting, I performed at the Opera House at 14 and recently starred in "Shrek the Musical" with my daughter. I aim to join more local theatre productions.
